## Notice of Fee Increase on October 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on October 1, 2003. See Revision of Patent Fees for Fiscal Year 2004; Final Rule, 68 Fed. Reg. 41532, 41533, 41534 (July 14, 2003).

The current fee schedule is accessible from (<http://www.uspto.gov/main/howtofees.htm>).

If the fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due" but not the correct amount in view of the fee increase, a "Notice of Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice of Pay Balance of Issue Fee," if the response to the Notice of Allowance is to be filed on or after October 1, 2003 (or mailed with a certificate of mailing on or after October 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously-paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Effective October 1, 2003, 37 CFR 1.18 is amended by revising paragraphs (a) through (c) to read as set forth below.

Section 1.18 Patent post allowance (including issue) fees.

- (a) Issue fee for issuing each original or reissue patent, except a design or plant patent:
- |                                       |            |
|---------------------------------------|------------|
| By a small entity (Sec. 1.27(a))..... | \$665.00   |
| By other than a small entity.....     | \$1,330.00 |
- (b) Issue fee for issuing a design patent:
- |                                       |          |
|---------------------------------------|----------|
| By a small entity (Sec. 1.27(a))..... | \$240.00 |
| By other than a small entity.....     | \$480.00 |
- (c) Issue fee for issuing a plant patent:
- |                                       |          |
|---------------------------------------|----------|
| By a small entity (Sec. 1.27(a))..... | \$320.00 |
| By other than a small entity.....     | \$640.00 |

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

***Response to Amendment***

Applicants' amendment filed on June 02, 2003 has been entered on July 18, 2003.

Therefore claims 41-110 as recited in the amendment of January 10, 200 are currently pending in the Application.

***Information Disclosure Statement***

All the IDs in the file including the IDS filed on May 9, 2003( entered May 12, 2003) have been considered and the contract employees instructed to enclose a copy of the initialed PTO-1449s along with this Office Action.

***Allowable Subject Matter***

Claims 41 –110 are allowed.

***Reasons for allowance***

The following is an examiner's statement of reasons for allowance:

The prior art taken either singularly or in combination fails to anticipate or fairly suggest the limitation of the dependent claims, in such manner that a rejection under 35 U.S.C. 102 or 103 would be proper. The prior art fails to teach a combination of all the claimed features as presented in independent claims ( 41, 51,61, 71, 81, 91 and 101) which include the method of forming an active matrix type display device including the steps of forming an organic leveling film over said semiconductor film after the patterning of the semiconductor film to provide a leveled upper surface and before forming an opening having a tapered configuration so that a diameter thereof is larger

Art Unit: 2814

at an upper portion than at a lower portion of the opening and wherein the upper portion of the opening is rounded from a first point on said upper leveled surface of the leveling film to a second point inside the opening adjacent the upper opening and then forming a pixel electrode in the opening .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven H. Rao whose telephone number is (703) 3065945. The examiner can normally be reached on 8.00 to 5.00.

The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.
